One of the best shows in telecom history!

-- Nathan Yanovitch, CEO, Paymaster Worldwide

For me, personally, this year's show was a great opportunity to introduce my clients to MVNOs, MVNEs, MVNAs, Master Dealers, and suppliers - but more importantly, to rekindle relationships and friendships that have been forged over 32 years in the wireless industry. All Wireless and Prepaid Show has grown every year and is now the "must-go to" wireless event in our industry. Robin and her staff set the standard on how a trade show should be run, from registration, timely presentations, a full agenda, and access to the decision-makers."

-- Jon Horovitz, President, Atrium Unlimited Consulting

Quite simply, it's THE wireless show. If you want to talk with dealers, suppliers, wholesalers, carriers or MVNOs, come. If you want to learn from the best in wireless, come. If you're in the wireless community, come. If you're doing business in the US, it's your one "must attend" trade show in the industry.

-- Adam Wolf, President, National Wireless Independent Dealer Association

Our company has exhibited at the All Wireless & Prepaid Expo over the past several years, and we're always so pleased with the high-quality leads and sheer volume of attendees on the show floor. Every year, the show gives us the perfect opportunity to connect with our existing industry contacts and meet new ones. The organizers also make it so easy to prepare for the event.

-- Stephanie Bacue, Director of Training & Support, Mobile Outfitters

As first-time exhibitors and attendees to All Wireless & Prepaid Expo, I have to say that the overall event was well-organized, had high traffic, and offered great energy by the dealer attendees that visited our booth. The venue was well-planned and offered many opportunities to meet face-to-face with our targeted demographics. Overall, it was a great show.

-- Anthony Scalanga, Senior Director, Channel Development, Ultra Mobile & Silver Sponsor

AWPE is, by far, our favorite show every single year. This year was no exception. Our team enjoyed talking to potential and current customers all over the floor, and we were able to network with potential new vendors while we walked the floor as well. We brought a new laser machine to the expo and sold out of all units the first day of the show. Incredible as always! We cannot wait to be back next year and see how much more new business funnels our way now that the venue is even larger with more vendors.
